# A Mission-shaped Church for Older People

Invite you to celebrate

This event entitled "A Mission-shaped Church for Older People: Wrestling with the Issues" will provide an opportunity to explore further ways in which we can resource our mission and service to and with older people.

On arrival, drinks will be served followed by a finger buffet lunch. After lunch, we look forward to hearing from Mark Russell, CEO of Church Army and James Woodward, former Director of The Leveson Centre and now Residentiary Canon of St George's Chapel, Windsor.

Time will be included for pooling ideas, networking with other practitioners and grappling together with the challenging questions that mission to older people presents us with.
