## Recommendations

“The rural *vision day* I attended as Bishop of Shrewsbury was so encouraging because of the great interest from rural churchgoers but also because we heard of so many exciting and innovative things already going on. We should have more of these *vision days*.”

*Alan Smith*  
*Bishop of St Albans*

“I've been waiting for a day like this for ages. The subjects that were discussed have been what I've wanted to do but I didn't know how to go forward. It has given me lots to think and pray about.”
